- The image shows a person's hands with red nail polish writing in a notebook. The notebook is open to two pages. The left page is dated 'TUESDAY August 2' and the right page is dated 'WEDNESDAY August 3'. The title '*Methodology' is written in large, dark blue cursive across both pages. On the left page, a flowchart starts with a yellow 'Start' box, followed by 'Step 1', 'Step 2', and 'Step 3' in blue boxes. On the right page, the flowchart continues with a green circle containing a question mark, followed by a yellow 'End' box. There are also boxes for 'Subsequent step' and 'Subsequent step' with arrows indicating a loop or continuation. A green pencil is held in the right hand, pointing at the 'Subsequent step' box.
